BARTLETT PUBLIC INFORMATIONAL MEETING
REPLACEMENT OF US ROUTE 302 BRIDGES

The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational Meeting will be held Monday, March 29, 2004 in Bartlett to review and discuss the planned replacement of the US Route 302 bridges over the Saco River and the NH Railroad.

This work will also include associated roadway improvements on Route 302, beginning approximately two-tenths of a mile south of its intersection with West Side Road and running northerly (toward Glen) for approximately nine-tenths of a mile. Approximately 500 feet of West Side Road as it approaches Route 302 will be reconstructed.

The March 29 public meeting to display the current concept and obtain input will be held at the Bartlett Town Hall, Town Hall Road, in Bartlett, New Hampshire. The meeting will begin at 7:00 PM and be followed by a question and comment period.
